The Northeast Ohio Parrothead Club was founded to promote friendships and organize social activities for people of similar interests, including enjoyment of the tropical spirit of Jimmy Buffett's music. In addition NEOPHC is a not for profit organization and encourages a variety of volunteer efforts in the local and regional community for social and environmental causes. In the process of making new friends and having fun, we believe in leaving something positive behind. Our club is open to anyone with a tropical spirit and desire to provide service to our community. Please send this completed application to NEOPHC, PO Box 35143, Canton, Ohio 44735.
